ALLHALL *TWIST Plus*

TWIST furniture are made of molded plywood consisting of different kinds of wood and colored with high quality stains. The steel ferrules are covered with powder coatings.

An exceptional item in the offer of ALLHALL is the version of TWIST Plus collection with the doors painted with white lacquer and mill edges revealing the natural wood color.

TWIST Plus with the doors coated with white laminate and mill edges.

Optional finish tops of chests of drawers and shoes cabinets: white-washed glass.
Furniture symbols with glass tops end with letter "S", e.g.: TPK 11 S.

TWIST Plus shoe cabinets have double racks.

Tip-up seat is a seat long known in the theater and cinema halls. Attached to the wall, most often in compact entryways, has all the advantages of a chair, but does not occupy space on the floor, which makes it easy to keep the floor clean.

TWIST furniture are made of molded plywood consisting of different kinds of wood and colored with high quality stains. The steel ferrules are covered with powder coatings.

SLIM is a series of furniture designed for rooms of even extremely small surface - racks and shoe cabinets are only 15 cm deep. Shoe cabinets hung on the wall and rotating cabinets supported on one leg facilitate cleaning of the floor and the two widths (54 and 76 cm), as well as a large selection of colors allow arranging of every entryway. SLIM in the WOOD version is produced from veneer chipboard.

walnut

STARTER is a simplified line of the SLIM collection, it is a kind of introduction to the world of the ALLHALL entryways, it is a spacious, hanging shoe cabinet, a closet in form of the rotating wardrobe with mirror, it is a wall hanger with a rack, it is a delightful arrangement of the entryway in three simple steps.

A series of ALLHALL coat trees ranges from the avant-garde AW 0 models to the traditional forms of AW 4 racks. The coat racks are made of brushed steel, chromed and covered with powder coatings. The knobs and tops of the coat trees are made of wood. The coat trees with divided column are equipped with umbrella stands. AW 4 coat tree (without an umbrella stand) is available in FLASH colors (template below). The collection of coat trees is supplemented by the ones of ROMA line.
